

Badri Pandey

(B. Pandey)

Experience as a Writer:

- Wrote and recorded "Shankha Nagara" in the voice of Rajesh Payal Rai and Binaya Niroula in 2001 after coming to Kathmandu on completion of my high school. Instantly, I was given opportunities to write new songs for movies.

- I was given the opportunity to write songs for the album Pancha Ratna. Pancha Ratna was considered a music jewel for its uniqueness. It was a unique album in the sense that it contained a set of four audio CDs and a VCD. Each audio CD contained 8 songs while the VCD contained music videos of eight most loved songs by the audience.

- Of the 32 songs in Pancha Ratna, Chandra Dong wrote three songs, Buddhabir Lama wrote two and Sangeeta Rai and Ram Kumar Adhikari had a song each to their credit. The rest of the 25 songs were written by me.

- After the success of Pancha Ratna, I wrote songs for various movies like Bhagya, Hami Sathi Bhai, Sahid, Prasad, Selfie King, Timro Mero Sath. In 2018, I was given the opportunity to write a song for the Prasad movie. I wrote, "Banki Chari" which was a massive hit. I was able to bag the best lyricist of the year award with this song.
